Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: None of the prior art of record, taken individually or in any combination, teach, inter alia, obtaining position and activity data from a GPS device to recreate positions and movements on a graphical representation, repeating the receiving and obtaining steps, analyzing the movement and activity to determine productivity, as per **Claim 1 and 14**.

The prior art reference most closely resembling the applicants claimed invention is Nerlikar US 5,629,981.

While Nerlikar discloses GPS tracking for purposes of maintaining security it lacks obtaining position and activity data from a GPS device to recreate positions and movements on a graphical representation, repeating the receiving and obtaining steps, analyzing the movement and activity to determine productivity from analyzed positional movements and activities, as recited in **Claims 1 and 14**.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
